## **AMENDMENT**

Assistant Commissioner for Patents Washington, D.C. 20231

Sir:

In reply to Official Action mailed May 14, 2002, Applicants submit the following amendments and remarks.

## IN THE SPECIFICATION:

Please replace paragraph 7 as follows.

-The Applicants have carried out numerous clinical tests and have been able to determine the symptoms associated with sensitive skins. These symptoms are, in particular, subjective signs which are essentially dysaesthesic sensations. Dysaesthesic
